

Equipment List for Backcountry Splitboard Course - 4 days

Throughout the winter season, a full range of conditions and temperatures can be expected in the mountains and clients need to be suitably prepared. Your guide will do a comprehensive gear check at your pre-trip meeting. This is a fly-in, ride-out trip based at our private Rob Rosa or Black Peak huts. The huts are stocked with beds and mattresses, sleeping bags, cooking equipment and hut shoes. On the journey out, you will need to carry your personal gear and may be asked to assist in carrying some small items of group equipment.

Below is a checklist of required equipment. Further detail is available in the equipment detail information accessed from the [Backcountry Splitboard Course](#) page on www.aspiringguides.com. If you have any questions about the equipment list, please be sure to contact us at action@aspiringguides.com.
