

Equipment List for Overnight Snowshoe - 2 days

Accommodation on this trip is at Rob Rosa Huts. The huts are stocked with cooking equipment, food, sleeping bags and mattresses, so you only need to carry your personal equipment including a sleeping bag liner. You therefore do not need a large pack - a light day pack will be sufficient. We have a good selection of equipment for hire if you do not have something or do not want to bring your own. We supply all food and snack foods throughout each day.

Below is a list of required equipment. Further detail is available in the equipment detail information, accessed from the [Overnight Snowshoe](#) Trek page on www.aspiringguides.com. If you have any questions about the equipment list, please be sure to contact us at climb@aspiringguides.com.
